We are thrilled to have you attend our TRIBE Intensive in Louisville, KY. At TRIBE Dance, we provide education in an intimate setting by guaranteeing small class sizes. Our hope that in doing this each participant will leave our events more confident in his or her personal artistry. We expect a memorable experience for each and every dancer that walks into our program. We fully back our faculty and trust that participants will leave our events inspired by our team.

We can't emphasize enough how important it is to our team that participants stay in contact with us. We consider anyone that walks into our training program part of our TRIBE. With that said, please leave us a review of your weekend on our Facebook page. Your personal feedback is how we continue to evolve and make our program better for interested participants.

*Level Placement:*

Our faculty will be in and out of the first class of the weekend to assess the classroom to make sure all participants are in the appropriate level for maximum technical growth. If our team feels that a dancer may benefit more in a different level than registered, our team will allow said student to make a decision as to whether or not he/she would want to change levels. Schedules for all levels are designed similarly and educators

*Breaks & Lunch:*

All participants should come prepared for a day of intense training. We suggest dancers bring water, a change of clothing, sweat towel, rollers, or anything else that may be necessary to keep them the most comfortable throughout the weekend. Please be sure to bring plenty of energy-sustaining snacks for scattered breaks throughout the day. All participants are expected to bring their own lunch on both Saturday and Sunday.

*Attire:*

Dancers are allowed to wear whatever they feel most comfortable in for the weekend. We require dancers to wear ballet shoes for ballet and highly recommend full ballet attire as it is appreciated by our ballet faculty.
